He has participated in prestigious Musical programs organized in places like America, Australia, Canada, England, Bahrain, Qatar, Dubai, Singapore along with other renowned Singers, Instrumental artists as a Tabla accompanist & conducted many workshops in & around the countries where ever he has travelled.

Now as a new venture dedicated to his **Guru Late Basavaraj Bendigeri, Satish Hampiholi Music Foundation** has been established. This platform has been created to encourage young budding talents in the fields of Instrumental Music and Singing.
